True Story

Dorothy Louise Eady was born in England in 1904. At three, she fell down the stairs. Doctors thought she was dead. Amazingly, she woke up an hour later, but she was different. Dorothy began to dream of places with big _____ and _____, saying, "I want to go home!"

When she visited the British Museum, she _____ Egyptian _____ and said, "These are my people!"

Later, she moved to Egypt. She claimed she lived a past life as a _____ who loved a _____. Many people didn't believe her, but Dorothy surprised everyone. Using her 'memories', she helped experts find a hidden garden and a secret tunnel no one knew about.
