The Symphony of the Seas luxury cruise ship

Have you ever been on a cruise ship? *(Yes, I have. I went...)*

Vocabulary

1. enchanting 2. luxurious 3. ambitious 4. construct 5. vessel 6. massive

True Story

In 2015, Royal Caribbean International set an _____ goal: to _____ the world's largest and most _____ cruise ship. They would call this grand _____ the "Symphony of the Seas."

Building this ship was a _____ task. It was constructed in France and took over 3 years to complete. The ship is 362 meters long, which is longer than the Eiffel Tower is tall! It can carry more than 6,000 guests and has a crew of over 2,200 people. Imagine a small town moving on the water. That's what this ship is like!

The "Symphony of the Seas" sails to _____ places like the Caribbean and the Mediterranean. On board, guests can enjoy a water park, a theater and restaurants. It's a place for families and friends to relax, have fun, and see new parts of the world. It's not just a ship; it's a floating adventure.

Quiz

1. What did Royal Caribbean want to do?
2. How many guests can the ship carry?
3. What can guests enjoy on board?

True or False

1. The ship is called "Symphony of the Night". True | False

Conversation

Husband: This ship is amazing! What should we do first?
Wife: How about starting with a swim?
Husband: OK! We'll check out the pool deck. Then what?
Wife: Let's try the seafood restaurant for lunch.
Husband: That sounds delicious. Should we see a show tonight?
Wife: Absolutely, I heard the live music is fantastic!

Discussion

1. Have you ever been on a cruise before? If not, would you like to go on one?
2. If you could design your own cruise ship, what features would you include?
3. Would you rather go on a cruise or visit a theme park? Why?
