## Story

One day, Danny goes to the forest to play. He likes to explore and see new things. While walking, he hears a strange noise. He looks around and sees a small panda. The panda is alone and looks scared. Danny feels sorry for the panda and wants to help.

Danny slowly walks to the panda and speaks softly. "Don't be afraid," he says. The panda looks at Danny and seems to calm down. Danny gives the panda some of his lunch - a banana sandwich. The panda eats it happily, even though it prefers bamboo.

Danny decides to take the panda home. He knows his parents will help. When he gets home, his parents are surprised. They quickly call the animal rescue center who come to pick up the panda. They thank Danny and take group photos for their Instagram account.
