Story

Taro is a young boy from Japan who has a new Tamagotchi named Larry. Larry is special; he can talk! Every morning, Taro wakes up, checks on Larry, and then gets ready for school. He walks to school with his friends, Kenta and Yumi. At school, Taro shows Larry to his classmates. They laugh when Larry says, "Oh my god!" During class, Taro puts Larry to sleep and listens to his teacher.

One day, Taro forgets to feed and play with Larry before school. At recess, Larry's screen shows a sad face and an empty food bowl icon. Taro feels sad but promises to care for Larry after school.

After school, Taro and his friends play "Taiko no Tatsujin" with Larry. The little Tamagotchi cheers up and says, "That was awesome!" Taro loves Larry. His talking Tamagotchi makes every day fun and interesting.
