## Story

One night, Yumi woke up feeling hungry. She tiptoed to the kitchen. She didn't turn on the lights because she didn't want to wake her family. Yumi could see very well in the dark. This was her secret, super power.

In the dark kitchen, Yumi easily found cookies and poured some milk. While eating, she saw something move past the window. Curious, Yumi went outside. Her night vision helped her navigate the dark garden.

There, she spotted a beautiful owl in a tree. It looked at her and hooted. Yumi was thrilled. She stood quietly, admiring the owl. To her surprise, the owl flew down and perched on her shoulder. Yumi felt a mix of excitement and calm.

The owl seemed friendly and stayed with her. Yumi spoke to it softly. After a while, the owl flew away into the night. It was a magical moment.
