## Story

Yuuki is a young boy who likes animals a lot. He lives in Japan with his family. One day, his mom and dad take him to the aquarium. Yuuki is very excited because he wants to see many sea animals.

When they get there, they see a big tank with many colorful fish. Yuuki's favorite fish is the clownfish. He saw it in a cartoon before. He also sees some turtles swimming slowly in their own tank.

Yuuki, his mom, and dad walk around the aquarium. They see many other sea animals like jellyfish, crabs, and even sharks. Yuuki is a bit scared of the sharks, but he feels safe because there is a glass window between him and the sharks.

At the end of their fun day, Yuuki's mom and dad buy him a small toy turtle from the gift shop. Yuuki is very happy and thanks his mom and dad for taking him to the aquarium. He can't wait to come back and see more sea animals again.
