

Housewife taken by aliens in Manhattan

Do you believe in aliens?

Vocabulary

1. hallucinating 2. abducted 3. enthusiasts 4. witnesses 5. experiments 6. ufologist

True Story

Linda Napolitano, a housewife from Manhattan, claimed she was _____ by aliens on November 30, 1989. She said three gray aliens took her from her apartment to their spaceship using a blue beam of light. Inside the ship, they performed _____ on her before returning her to her bed.

Her story became famous because _____ Budd Hopkins wrote about it. He said 23 people, including a government official, saw the event. Linda said, "If I was _____, then the _____ saw my hallucination."

However, many people doubt her story because the witnesses never revealed their identities. Despite the doubts, Linda's story remains popular among UFO _____, and is featured in a new Netflix documentary.

Quiz

1. Who claimed to be abducted by aliens?
2. What did the aliens use to take Linda to their spaceship?
3. Who wrote about Linda's story?
4. Why do people doubt her story?
