QUESTION

Which do you prefer, studying alone or studying with friends?

模範解答

I prefer studying with friends. First, studying alone is boring. It is more fun to study with friends. Second, we can help each other and also listen to music together. (30)

I prefer studying with friends.

① First, studying alone is *boring*.

It is *more fun* to study with friends.

② Second, we can *help each other*

and also *listen to music* together.

- ▶ Studying alone is... *difficult* | *lonely*
- ▶ Studying with friends is... *better* | *more interesting*
- ▶ Because... *talk about school* | *share our notes*
test each other | *discuss our ideas*
- ▶ Where? *watch TV* | *read comics* | *play games*

I prefer studying with friends.

First, studying alone is _____.

It is _____ to study with friends.

Second, we can _____

and also _____ together.
