Article

Burger King in Brazil has launched a Barbie-themed meal to celebrate the new Barbie movie's release. The meal includes a cheeseburger with bright pink sauce and bacon, a pink vanilla milkshake, a doughnut with pink frosting, and Ken's fries. The new meal has gotten different reactions from fast food lovers. Some people on social media said the pink sauce looks like "chewed bubblegum".

The new Barbie movie, based on the famous dolls, will come out in the UK this week. Making the film used so much bright pink paint that it used up all the paint from one company. The movie stars Margot Robbie as Barbie and Ryan Gosling as Ken. Gosling said his children motivated him to take the role of Ken.
